

Inspired Futsal Fee Policy

At Inspired Futsal, we are committed to providing quality futsal programs and services to our participants. In order to maintain the integrity of our operations and ensure fairness to all involved parties, we have established the following fee policy:

1. **Fee Structure:** The fees for Inspired Futsal programs and services are set at a predetermined cost (currently £27.50 per month, plus £5 per match when played) * which is communicated to all participants prior to registration or agreement. These fees are inclusive of all associated costs related to program delivery and administration.
2. **Availability:** At times, sessions may not be able to run, due to venue availability, coach availability or equipment availability. If sessions are unable to run over a sustained period of 3 or more weeks in a month, then we will endeavour to reduce or cancel your fee for that month.
3. **Cancellation Policy:** Regardless of any cancellations or withdrawals from the program by participants, the full agreed-upon fee remains payable. This means that once a participant has committed to the program and agreed to the fee, they are obligated to pay the full amount regardless of their subsequent attendance or participation. (See separate cancellation and refund policy).
4. **Payment Obligation:** All participants are required to pay the full agreed-upon fee in a timely manner as outlined in the registration or agreement process. Failure to do so may result in penalties or the termination of participation in Inspired Futsal programs and services.
5. **Right to Terminate Agreement:** Inspired Futsal reserves the right to terminate the agreement with any participant who refuses to comply with the fee policy outlined above. This decision will be made at the discretion of Inspired Futsal management and may result in the forfeiture of any fees already paid by the participant.

By participating in Inspired Futsal programs and services, participants acknowledge and agree to abide by the fee policy outlined in this document. We appreciate your understanding and cooperation in helping us maintain the quality and sustainability of our programs.
